

# URGENT CHALLENGES SEMINAR (UCS)

---

**UCS 28000: ADDRESSING URGENT CHALLENGES: 1-4 Hour(s)**  
ADDRESSING URGENT CHALLENGES ~

**UCS 38000: SEM:: 4 Hour(s)**

SEM: ~ Urgent Challenges Seminars are team-taught courses which address a broad theme around an urgent challenge of our times. This challenge will be considered from different disciplinary perspectives and the courses focus on developing problem-solving skills and integrating previous learning in the core curriculum. Students will work collaboratively to address the challenge through a substantive signature assignment/project.
