## Veterans Benefits and Transition Act of 2018 - Section 103

As pursuant with the Veterans Benefits and Transition Act of 2018, a covered individual\* will be permitted to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance.

Hiram College will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries or other institutional facilities. Hiram College will also not require a Chapter 31 or Chapter 33 recipient to borrow additional funds to cover the individual's inability to meet their financial obligations to the institution due to the delayed disbursement of a payment by the U.S. Department of Veterans Affairs.

To qualify for this provision, the covered individual may be required to produce the VA's Certificate of Eligibility by the first day of class, provide written request to be certified, provide additional information needed to certify the enrollment as described in other institutional policies.

This provision will end when payment for the course of education has been received by Hiram College or 90 days after the date Hiram College has received the Certificate of Eligibility and has certified tuition and fees for the course of education, whichever is earlier.
