The Hiram College Catalog 2023-24

WELCOME TO HIRAM COLLEGE

As Hiram College's mission states, your education at Hiram College will help you "thrive in your chosen career, flourish in life, and face the urgent challenges of the times."

You will want to refer often to this catalog from your first term through your last. It serves as a guide to help you meet Hiram's mission. In addition, it is an important resource for degree requirements, course information, policies and procedures, and information about Hiram College for the 2023-2024 academic year. It contains almost everything you need to know regarding your academic career. As a student Hiram requires you to be responsible for the information in the catalog. Use this document to explore all of your opportunities for learning both inside and outside the classroom.

The authors of the catalog do their best to present information as accurately and completely as possible. The catalog points you to many resources available to support your success. If you have additional questions, please contact the Office of the Registrar (registrar@hiram.edu) or the Office of Academic Affairs (deansoffice@hiram.edu).

The College reserves the right to change any of the provisions, statements, policies, curricula, procedures, and regulations found in this catalog. Please check course registration materials including your academic evaluation each semester for current information. You will receive information from the registrar's office throughout the academic year which you will want to read in order to be up-to-date on all information.

Please know that Hiram College does not discriminate on any basis prohibited by law.

The faculty and staff welcome you to Hiram College. We are here to support you and enhance your education.
