---

## Program Websites:

Pre-Dentistry – Hiram College (<https://www.hiram.edu/academics/undergraduate-studies/undergraduate-programs/pre-dentistry/>)

Pre-Medical Studies – Hiram College (<https://www.hiram.edu/academics/undergraduate-studies/undergraduate-programs/pre-medical-studies/>)

Pre-Physician Assistant – Hiram College (<https://www.hiram.edu/academics/undergraduate-studies/undergraduate-programs/pre-physician-assistant/>)

Pre-Veterinary Medicine – Hiram College (<https://www.hiram.edu/academics/undergraduate-studies/undergraduate-programs/pre-veterinary-medicine/>)

## Introduction

Hiram believes that the best training in the health professions is obtained through rigorous, specialized study within the context of a broad liberal arts background. Hiram College students can prepare for post-baccalaureate study in medicine and other health science fields through several courses of study.

Students interested in health science are strongly advised to discuss their interest with a member of the Health Science Board. A variety of health sciences catalogs and literature are on file in the Career Center office.

## Academic Offerings

- Pre-Medical Studies (<https://catalog.hiram.edu/undergraduate/academic-programs/health-science/pre-medical-studies/>)
- Pre-Veterinary Medicine (<https://catalog.hiram.edu/undergraduate/academic-programs/health-science/pre-veterinary-medicine/>)
