

SPANISH MINOR

Minor Requirements

There are many advantages in adding a foreign language minor to your degree path. Learning a second language provides you with linguistic skills and cultural knowledge necessary for thriving in an increasingly global community where languages are extremely useful in many differing areas, ranging from business and commerce to medicine.

A minor in Spanish consists of the following:

Code	Title	Hours
Required		
SPAN 20100	INTERMEDIATE SPANISH I:EW (or its equivalent)	4
SPAN 20200	INTERMEDIATE SPANISH II:EW (or its equivalent)	3
Any four courses beyond SPAN 20200		13-16
Total Hours		20-23

A minimum of 22 credits is required.

Requirements of a Concentration in Spanish for the Professions within the Spanish Minor

The concentration in Spanish for the Professions is designed for students who anticipate careers in which they will need to interact with Hispanic communities in the U.S. or abroad and who wish to continue the study of Spanish language and culture for specific professional purposes: business, industry, commerce, civil service, law, media, economics, health and social sciences.

The concentration in Spanish for the Professions has the same basic requirements as the Spanish minor, but four of those 22 credit hours must be fulfilled with four one-credit hour courses focused on Spanish for the Professions: Spanish for Healthcare Professionals, Spanish for Business, Spanish Translation and Advanced Spanish for Healthcare Professionals, Advanced Spanish for Business, or Advanced Spanish Translation.
