

SPORT MEDIA

Introduction

Sport Media offers a comprehensive education in sport media by providing theories, knowledge, and experiences of the role media plays in sports, and enables students to develop the skills used in sport media to become an effective communication specialist within sports. This program will also work in conjunction with the Hiram College Athletic Sport Information Department and the Sport Information Director.

**Jeffrey Curto, (2022) Assistant Professor of Sport Management;
Undergraduate Research Coordinator for Sport Management**
