

SUPPLY CHAIN MANAGEMENT MAJOR

Degree Requirements

All students are required to complete overall degree requirements in addition to their major. Please see Degree Completion Requirements (<https://catalog.hiram.edu/undergraduate/student-academic-responsibilities-performance/degree-completion-requirements/>) for full details for students entering in the 2022-2023 catalog year.

Those students who started at Hiram prior to the 2022-2023 academic year will follow the Degree Requirements outlined in your catalog of record.

Major Requirements

Students may only double major in two disciplines from the Scarborough School of Business & Communication with permission from the program faculty. Students must develop a proposal to outline how they will achieve breadth of knowledge in the two disciplines chosen.

Students can major and minor in any two disciplines from the Scarborough School of Business and Communication with permission from the program faculty (typically, only one course can count for both the major and the minor)

Required Core Courses (46 credits)

1

A grade of C- or better is required to count toward the major.

2

If a student tests into MATH 19900 CALCULUS II:MM, the mathematics requirement is waived.

Important notes for majors:

1. Supply chain management majors must complete a **Leadership Essay** and submit it to your advisor in the management program prior to your graduation. See your supply chain management advisor for specific details.
2. This is a recommended major pathway; individual pathways may vary. Advisor consultation is a vital part of timely graduation.
