## THE FIVE SCHOOLS

The academic programs (*majors & minors*) at Hiram College are organized into five schools. While each school has its own focus, the overall mission of the schools is to foster integrated and experiential learning for all students, through an interdisciplinary and collaborative framework that operates both within each school and among schools. You may want to explore each school on the Hiram College website or at the school links below to learn more about their offerings.

- School of Arts, Humanities & Culture (<https://catalog.hiram.edu/undergraduate/schools/arts-humanities-culture/>)
- Scarborough School of Business & Communication (<https://catalog.hiram.edu/undergraduate/schools/business-communication/>)
- School of Education, Civic Leadership & Social Change (<https://catalog.hiram.edu/undergraduate/schools/education-civic-leadership-social-change/>)
- School of Health & Medical Humanities (<https://catalog.hiram.edu/undergraduate/schools/health-medical-humanities/>)
- School of Science & Technology (<https://catalog.hiram.edu/undergraduate/schools/science-technology/>)
