

INDEPENDENT STUDY AND INDEPENDENT RESEARCH

Credit for Registered Independent Study and Research

Students who wish to receive credit for **Independent Study (28100)**, **Independent Research (48100)**, or **Internship (49800)** must register by submitting a Course Description Form found in Registrar Forms (<https://www.hiram.edu/academics/courses-registration/registrar/registrar-forms/>) signed by the course instructor.

- For Independent Research, the form also requires the School director's signature.
- Any Independent Study or Independent Research courses taught in summer or taught by someone other than a full-time faculty member must also be approved by the associate dean of the College.
- A signature from the Career Development Center (<https://www.hiram.edu/student-resources/career-development/>) is needed if course will complete the Connect (<https://catalog.hiram.edu/center-adult-studies/hiram-connect/>) graduation requirement.
- Please review the Credit Hour Policy (<https://catalog.hiram.edu/undergraduate/student-registration-academic-policies/credit-hour-policy/>) for course expectations.
